AN IMPORTANT NOTICE REGARDING VANITY PLATE REQUESTS

Vanity plates are a great way to personalize your motor vehicle. Please keep in mind as you request a phrase, acronym or abbreviation to use on a Maine registration plate that other citizens may not understand your intended phrase, or may be offended by it, and make a complaint to the Secretary of State.

Maine law, MRSA Title 29-A §453 paragraph 3-A Restrictions. The Secretary of State may refuse to issue or may recall a vanity plate that:

C. Falsely suggests an association with public institutions; or

D. Is duplicative; or

E. The Secretary of State finds the plate consists of language which encourages violence, may result in an act of violence or other unlawful activity because of the content of the language requested by the registrant.

Should the Secretary of State receive a complaint about a vanity plate, the holder may be required to surrender the use of that registration plate.
