 License #R037233) **OF LICENSE**

INTRODUCTION

This document is a Consent Agreement regarding Lloyd R. Campbell's license to practice professional nursing in the State of Maine. This Consent Agreement is pursuant to 32 M.R.S.A. § 2105-A(1-A) and 10 M.R.S.A. § 8003(5). The parties to this Consent Agreement are Lloyd R. Campbell, the Maine State Board of Nursing ("the Board") and the Department of Attorney General, State of Maine.

Following an informal conference held on February 5, 1997, Lloyd R. Campbell entered into a Consent Agreement for voluntary surrender of his license. That Consent Agreement, which became effective on April 25, 1997, conditioned the reinstatement of Mr. Campbell's license on the fulfillment of certain specified conditions during the period of surrender. The agreement provided that after one year from its effective date, Mr. Campbell could petition the Board for reinstatement of his license on probationary status.

Mr. Campbell submitted a written request for reinstatement of license following the minimum one year period of surrender. The parties met to discuss his request at a meeting held on June 11, 1998. As a result of that meeting, the parties agreed to enter into this Consent Agreement allowing for a reinstatement on probation with conditions of Mr. Campbell's license.

REINSTATEMENT WITH CONDITIONS OF PROBATION

Mr. Campbell's license to practice professional nursing in the State of Maine is reinstated on a probationary status. The period of probation will commence upon Mr. Campbell's return to nursing practice, either through employment or pursuant to an educational program. The period of probation will continue for a minimum of 24 months of nursing practice and until such time as the Board agrees to terminate probation upon written request of Mr. Campbell. Mr. Campbell's probationary license is subject to the following conditions:

1. **Substance Free:** Mr. Campbell will abstain completely from the use of alcohol or drugs, with the exception of substances used in accordance with a valid prescription from a physician who is aware of Mr. Campbell's substance abuse history.

In the event such information is received by any member of the Board or its Executive Director, the information will be forwarded to Mr. Campbell for a response. Mr. Campbell agrees and understands that his license shall remain suspended unless and until the Board is satisfied that Mr. Campbell's license may be reinstated consistent with the public health and welfare in the area of nursing service.

9. **Term of Probationary Status:** Mr. Campbell agrees and understands that his license will remain on probationary status and subject to the terms of this agreement indefinitely beyond the 24 month probationary period of nursing practice, until and unless the Board, at Mr. Campbell's written request, votes to terminate Mr. Campbell's probation.
