POLICY NUMBER: 15.3		
CHAPTER 15: SPECIAL HOUSING		
	STATE of MAINE DEPARTMENT of CORRECTIONS Approved by Commissioner: 	PROFESSIONAL STANDARDS: See Section VIII
	EFFECTIVE DATE:	LATEST REVISION: July 1, 2020

I. AUTHORITY

The Commissioner of Corrections adopts this policy pursuant to the authority contained in 34-A M.R.S.A. Section 1403.

II. APPLICABILITY

All Departmental Adult Facilities

III. POLICY

The Department of Corrections recognizes that some prisoners in its adult facilities who are under a threat to their safety may need to be housed separately when there is no reasonable alternative to special management housing. The purpose of this policy is to provide governance for the supervision of prisoners on protective custody status in special management housing. *5-ACI-4A-04*

This policy does not govern prisoners who are under a threat to their safety but for whom the threat can reasonably be mitigated while they are housed in general population, who are on disciplinary restriction, on disciplinary segregation status or administrative status, or in the Administrative Control Unit or the Intensive Mental Health Unit (IMHU).

IV. DEFINITIONS:

1. Licensed clinician – A psychiatrist, psychologist, psychiatric nurse practitioner, licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist.
2. Special management housing – Housing that separates a prisoner from the general population and restricts the prisoner to his or her cell for the safe and secure operation of the facility, but for fewer than twenty-two (22) hours per day.

VII. PROCEDURES

Procedure A: Placement on Protective Custody Status

1. Placement on protective custody status may occur when a prisoner is under a direct threat to his or her safety that cannot reasonably be mitigated by other available means, including, but not limited to, prisoner conflict management, change in housing or facility for either the prisoner under threat or the prisoner posing the threat, transfer out of state of either the prisoner under threat or the prisoner posing the threat, etc. *5-ACI-4A-05*
2. If the above criterion appears to be met, the prisoner shall first be placed on administrative status under Department Policy (AF) 15.1, Administrative Status.
3. As soon as practicable after that placement, the Unit Manager, or designee, of the housing unit where the prisoner has been placed shall contact appropriate staff, which may include, but is not limited to, Special Investigations and Intelligence (SII), the Conflict Sergeant, the facility Director of Security, and the Department’s Director of Classification, or designee, to obtain information needed to determine whether the prisoner is under a direct threat and, if so, whether there are means available to reasonably mitigate the threat other than placement on protective custody status.
4. At the first administrative status review after the necessary information is obtained, the housing unit team shall, if it determines that the prisoner is under a direct threat and that there are no other available means to reasonably mitigate the threat, place the prisoner on protective custody status. The prisoner shall be placed in special management housing as soon as practicable.
5. The Unit Manager, or designee, shall document the rationale for placement on the Protective Custody Status Placement form (Attachment A) and in CORIS to include:

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

- a. type of placement (protective custody status);
 - b. description of the threat on which the placement is based;
 - c. written incident report, if applicable;
 - d. a description of alternatives considered before placing the prisoner on protective custody status, e.g., “keep separate order,” placement of the prisoner posing the threat on administrative status, transfer of one or more prisoners to another facility, etc.) and why they were not used.
6. The Unit Manager, or designee, of the housing unit shall provide the original of the form to the Unit Manager, or designee, of the special management housing unit, who shall provide a copy of the form to the prisoner. The original shall be maintained in the prisoner’s unit file.
 7. If the housing unit team determines that there is no direct threat to the prisoner’s safety or that there is available another means to reasonably mitigate the threat, the appropriate steps shall be taken in accordance with the applicable Department policy.

Procedure B: Health Care Services

1. When a prisoner is placed in special management housing, the Unit Manager, or designee, of the special management housing unit shall immediately notify the facility health care staff, who shall provide a screening and review as set out in Department Policy (AF) 18.5, Health Care Services. The notification shall be recorded in CORIS. *5-ACI-4A-01*
2. If there is any medical or mental health condition that might contraindicate the placement, the Unit Manager, or designee, of the special management housing unit shall consult with the facility Health Services Administrator, or designee, to determine whether the identified problem(s) can be resolved. If not, the Unit Manager, or designee, shall notify the Chief Administrative Officer, or designee, who shall notify the Commissioner, or designee, for a decision regarding how to proceed. Any consultation, decision(s), and notification shall be documented in CORIS.
3. Prisoners placed in special management housing shall receive the same medical and behavioral health services as provided to general population prisoners. An exception may be made by a security supervisor, provided the staff making the exception obtains the approval of the Unit Manager or, if the Unit Manager is not on duty, the Shift Commander, prior to or immediately after the exception. The exception may be made, on a case-by-case basis, when a prisoner’s behavior indicates a threat to medical, behavioral health, or other staff. In such a case, if possible, the provision of medical or behavioral health services shall be modified to ensure the safety of staff.
4. Approval for a prisoner to receive modified medical or behavioral health services or for another exception to medical or behavioral health services shall be recorded in the unit log. In addition to recording the information in the unit log,

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

the staff person making the request shall complete an Incident Report in CORIS, which shall be reviewed by the Unit Manager as soon as practicable. The exception shall last only as long as necessary, and the approval for the exception and the duration of the exception shall be recorded in CORIS. Any exception shall also be posted on the prisoner's cell door.

5. A prisoner in special management housing shall be provided medication as prescribed by facility health care staff. *5-ACI-4A-15*
6. The facility physician shall visit prisoners in special management housing as determined necessary by the Department's contracted health care services provider. *5-ACI-4A-01*
7. A licensed clinician shall meet with a prisoner in special management housing and shall complete: *5-ACI-4A-10*

The licensed clinician staff shall record the meetings in the housing log and the prisoner's electronic health care record and shall include reports of the appraisal and assessments in the prisoner's electronic health care record.

8. The above reports or summaries of the reports shall be made available to the Unit Manager, or designee, and the Chief Administrative Officer, or designee, as applicable, so that this information can be taken into consideration prior to the prisoner's next special management housing review.

Procedure C: Protective Custody Status Reviews

1. The special management housing unit team (consisting of at least three (3) members, one of whom shall be the Unit Manager, or designee), in collaboration with the prisoner's assigned Unit Management Team, if applicable, shall conduct a protective custody status review after consultation with appropriate facility staff (e.g., Special Investigations and Intelligence (SII), behavioral health staff, etc.) to determine if continued placement on that status is appropriate based on whether the criterion set out in Procedure A above is met: *5-ACI-4A-07 & 5-ACI-4A-08*
 - a. at least every seven (7) days, for the first sixty (60) days after placement, which must include, but not necessarily be limited to, a review of the initial placement of the prisoner on protective custody status and a determination of the need for continued placement protective custody status; and

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
15.3 Protective Custody Status	15. Special Housing	Page 4 of 17 7/1/20R

Note: In some facilities, the special management housing unit team and the assigned Unit Management Team may be the same team.

2. Unless the prisoner's behavior warrants denying the prisoner's presence, the prisoner shall be allowed to attend the first seven (7) day review, the fourth seven (7) day review, the eighth seven (7) day review, and every review thereafter. The team may allow the prisoner to attend any other review at its discretion. At least one day prior to each review the prisoner is allowed to attend, the Unit Manager, or designee, shall notify the prisoner of the review and the prisoner's ability to attend and to submit a written statement for the review, and the Unit Manager, or designee, shall document the notification in CORIS. All other reviews shall take place in the prisoner's absence.
3. If the prisoner's behavior warrants denying the prisoner's presence at one of the reviews the prisoner would otherwise be allowed to attend, documentation of the denial and the behavior shall be made on the Protective Custody Status Review Minutes form (Attachment B) and in CORIS and the review shall proceed in the prisoner's absence.
4. If a prisoner refuses to attend one of the reviews the prisoner is allowed to attend, the refusal shall be documented on the form and in CORIS and the review shall proceed in the prisoner's absence. The prisoner shall be given the opportunity to submit a written statement prior to the review and any written statement shall be attached to the form and summarized in CORIS.
5. If present at the review, the prisoner may respond orally or submit a statement in writing. A summary of the prisoner's oral statement, if any, shall be documented on the form and in CORIS and any written statement shall be attached to the form and summarized in CORIS.

7. The Unit Manager, or designee, shall ensure that the recommendation(s) and the reason(s) for the recommendation(s) are documented in CORIS.
8. If the unit team recommends that the prisoner remains on protective custody status, the reason(s) shall include an explanation as to why the team believes the criterion set out in Procedure A is met based on facts known and circumstances in existence at the time of the review.
9. When conducting a review of a prisoner who the team is recommending remain on protective custody status, the team shall consider opportunities to increase a

10. The facility Chief Administrative Officer, or designee, shall make a determination whether to accept the team's recommendation(s) and shall ensure his or her decision is documented in CORIS. The Unit Manager, or designee, shall document the decision of the Chief Administrative Officer, or designee, on the Protective Custody Status Review Minutes

If the prisoner does not sign a waiver of the right to appeal, the prisoner may submit an appeal, which must be received by the facility Chief Administrative Officer, or designee, within three (3) days of the prisoner's receipt of the decision made by the Chief Administrative Officer, or designee, after the review. Any appeal, if timely, must be decided within three (3) days of its receipt by the Chief Administrative Officer, or designee.
7. Upon review of the appeal, the facility Chief Administrative Officer, or designee, as applicable, may:

VIII. PROFESSIONAL STANDARDS

ACA

ACI

- 5-ACI-4A-01** (MANDATORY) When an offender is transferred to special management housing, health care staff will be informed immediately and will provide a screening and review, as indicated by the protocols established by the health authority. Unless medical attention is needed more frequently, each offender in special management housing receives a daily visit from a qualified health care professional. The visit ensures that offenders have access to the health care system. The presence of a health care provider in special management housing is announced and recorded. The frequency of physician visits to special management housing is determined by the health authority.
