

Notice of Agency Rulemaking Adoption

AGENCY: Maine Department of Corrections

CHAPTER NUMBER AND TITLE: Chapter 10, Subsection 27.2, Supervised Community Confinement

ADOPTED RULE NUMBER: **20xx.xxx**
(LEAVE BLANK - ASSIGNED BY SECRETARY OF STATE)

CONCISE SUMMARY:

The Maine Department of Corrections amended Ch. 10, Supervised Community Confinement. The primary reason this rule is amended is to address a statutory change that makes a resident eligible for the supervised community confinement program (SCCP) if they have a worsening prognosis that is likely to result in a terminal or severely incapacitating medical condition. Other amendments clarify reasons for denying approval to SCCP as they relate to victim safety; add a requirement of notifying a domestic violence resource center if a resident who is in custody for a domestic violence crime is approved for transfer to SCCP; clarify that a client on SCCP is not allowed to travel out of state without the written permission of their probation officer; clarify that a client may be removed from SCCP without notifying the Director of Adult Community Corrections if a probation supervisor thinks it is necessary; and make other clarifications.
