**Subject:** DACSS

I am writing today in Support of the GRAND LAKE DACSS - Its LONG OVER DUE- THANK YOU and all the Commission Members by taking this action! Our Cultural Heritage is being eroded at an alarming ever increasing rate every where trough out the State of Maine! All I can say is a "WELL-DONE" !

There are many other areas of the State that are equally deserving of this Land Use Designation as well!

Sherwin A. Start M.S.
