September 2, 2005

Subject: Meeting of stakeholders and interested parties; Redington Mountain Windpower, Inc. Redington Township, Franklin County

Dear Mr. Tannenbaum and Ms. McLaughlin;

The staff of the Land Use Regulation Commission (LURC) invites you to attend a meeting to be held on September 28, 2005 from 10:00 to 12:00 at the 1st floor conference room at the Harlow Building in Augusta, to identify concerns and answer questions that you may have regarding the Redington Mountain, Inc. petition to rezone to a (D-PD) Planned Development Subdistrict and permit application for a windfarm in Redington Township, Franklin County. An overview of the application will be presented by the applicant.

For your information, LURC and the Maine Department of Environmental Protection are jointly holding a pre-submission meeting on September 9th, which will provide an overview of the application but will largely focus on state administrative concerns. Submission of the applications to LURC and the MDEP are expected sometime after that date. To provide non-government organizations and interested parties with a forum for discussion at this phase of the application submission, this second meeting is being planned.

Please let me know if you, or a representative, will be able to attend the September 28th meeting. I can be contacted by phone at (207) 287-4933, or by email at Marcia.spencer-famous@maine.gov.

Sincerely,

M. Spencer Famous

Marcia Spencer-Famous, Senior Planner
Planning Division
