	Asking about safety of berries		a TR township near Millinocket	Concerned citizen	9/12/2015	right of way roadside		Arsenal AC, Streamline	Gave caller information requested	No violation	Closed
	Picked blue berries roadside ROW on paper co. land, later saw sign on another road saying herbicides applied. Was road he picking on sprayed too.		Somewhere N. of Millinocket T3 R8?	Concerned citizen					Inspector tracked down paper co. involved with roadside ROW project and provided caller with requested information.	Prentiss & Carlisle own entire road berries picked on- Sandy Stream Road. No spraying done there. Katahdin Forest Mgmt. did have roadside ROW sprayed on Stacyville Road, north of Millinocket Lake with glyphosate and streamline, but no	Closed
	Utility Co. spraying when they said they would not, concern for well, animals, spring	Brownfield		Abutter	8/4/2015				Discussed N/S agreements, notification and other ideas to minimize impact of spraying. Provided caller CMP employee name and contact # about no spray agreement.	No formal NS agreement in place	Closed
	Town not notified about utility Row, resident concerned about her property, grandkids and chickens. Willing to maintain ROW this area if allowed to do		Denmark	Abutter	7/30/2015				Discussed with caller and sent email with link to our website. Discussed no spray agreement possibility and sent her CMP contact information. Informed caller it was legal, but	Information requested and	Closed
	Caller asked if roadside ROW spraying was legal				7/21/2015				regulations had to be followed.  Offered to give him DOT contact info., he did not want.	Information requested and provide	Closed
