Attorney Randlett,

In response to the Commission's request that the Bureau provide it with data that shows the number of OUI related fatalities since 2010 - if it exists, I have attached a National Highway Traffic Safety Administration chart that shows this data from 2006 to 2015. Data for 2016 and 2017 is not yet available.

This chart is found at the following link – click on Maine:

Thank you.
