

NOTICE TO CONTRACTORS
INVITATION FOR BIDS

The Department of Defense, Veterans, and Emergency Management (DVEM) is conducting a competitive bid process for the installation of Electric Vehicle Charging Stations, at multiple locations; Presque Isle and Bangor, Maine. Bids will be opened and read aloud by the DVEM at 2:00 p.m. 24 August 2023.

Project scope consists of installation of two Electric Vehicle Chargers. The base bid system at the Northern Maine Readiness Center (NMRC) in Presque Isle consists of a 200KW level 3 charger including 3-40KW power modules. The project also includes additive bid items including a second electric vehicle charger system at Building 255 of the Bangor East Training Site in Bangor, Maine consisting of a level 2 charger; 2 additional power modules for the level 3 system in Presque Isle; and a five year commercial cloud plan, site validation, and five year assurance. All work to be done in accordance with plans and specifications prepared by Innovative Construction and Design Solutions, LLC (ICDS).
