Subject: [EXTERNAL SENDER] Questions about the 2nd procedural order

Hi Jim,

I called and left a message about a few questions I have on the 2nd procedural order. Are you available today for a quick call?

I'm wondering if it will be ok for me to send one letter to both DEP and LUPC and also have a question about the mitigation/compensation topic for the hearings. Before I go ahead and send my memo, I thought it might be simpler to just double-check that I understand.

I'm available at 430-0175 or my cell 907-723-6033

Thanks,
Sue
