Please do not let this happen! We owe Massachusetts nothing. The 37 cents a months estimated savings on our electricity bill is nothing. Electric cars in Maine? They use batteries, batteries DO NOT like cold weather and we have a lot of that. The part about helping the low income is for Mass not Maine people. Janet Mills must be getting a personal kickback from CMP to even want this. This not for Maine, nothing good about it. I love the North woods and go there oftern. PLEASE, PLEASE DO NOT LET THIS HAPPEN to our beautiful state.
