To whom it may concern:

As a member of MSA I was surprised to see Robert Myers speaking on my behalf. As far as I know the membership has never been surveyed on this issue, therefore they have no right to say they know what I think. I do NOT agree with the CMP corridor as I think it would ruin some of the best snowmobiling and views our State has to offer.

Please accept this email as MY opinion as a member of the MSA.

Thank you,
