

DOUBLE-WALLED SPILL BUCKET

MARCH, 2019

This table includes manufacturers dimensions for double walled spill buckets providing 5 and 15-gallon spill containment for tank installers to reference when determining the largest containment that can fit at a facility. The Maine Department of Environmental Protection does not certify, endorse or register these manufacturers and does not maintain a complete list of manufacturers. The listed manufacturers do not carry 10-gallon double-walled spill buckets.
