

**Maine Laboratory Accreditation Program
Accredited PFAS Laboratories***

There are currently two labs in Maine that are accredited to analyze for PFAS. Public Water Systems may wish to contact their regular in-state lab to determine if they have a subcontracting relationship with an out-of-state lab that is accredited for PFAS analysis.

Laboratory Name/Address	Phone Number	Website Address
Absolute Resource Associates 124 Heritage Ave, Unit 16 Portsmouth, NH 03801	877-320-7373	https://www.absoluteresourceassociates.com/
