

Maine Center for Disease Control and Prevention  
**Monthly STD/HIV Data Update**

Cases diagnosed from January 1<sup>st</sup> to April 30<sup>th</sup>, 2011

This Monthly Update provides summary year-to-date (YTD) data about HIV and STDs in Maine. For each disease, the YTD total is shown and compared with the median\* YTD values for the last five years. Please note that data presented here may change due to reporting delays or pending epidemiologic investigations.

For more information contact: Sarah Bly at (207) 287-3297 or sarah.bly@maine.gov
