Privacy/Civil Liberties/Civil Rights Audit Report

For the Period

01 January 2022 – 30 June 2022

INTRODUCTION

This report accounts for the privacy/civil liberties/civil rights (P/CL/CR) audit that was conducted by the Maine Information & Analysis (MIAC) audit team (Team) for the period of 01 January 2022 through 30 June 2022.

The members of the Team were MIAC Board Member FBI Agent, Greg Hughes; MIAC Board Member, Michael Feldman; LT Tyler Stevenson, MIAC Director, SGT Mathew Casavant, MIAC Deputy Director/MIAC Compliance Officer and Kent Avery, Assistant Attorney General/MIAC Privacy Officer. The audit is conducted pursuant to the MIAC Privacy Policy, specifically Part X(3)(B).

GENERAL AUDIT PROCESS

To conduct the audit, the Team followed the “MIAC Privacy Audit Policy,” which is attached to this report.

As a general note, certain presumptions generally guided the Team in its work. Those presumptions included, as examples:

- That, generally, records that are the subject of such audits are commonly understood to be restricted for law enforcement (LE) use only.
- That, generally, records that are the subject of such audits are typically confidential/nonpublic by law, and that their dissemination is therefore restricted by law.
- That conclusions stated or asserted in records prepared by a LE agency (LEA) are presumed to be factually based.
- That, currently, no records subject to such audits that are maintained in MIAC-administered systems are required by law to be purged.
- That certain databases in which records are maintained or through which records are disseminated (for example, eGuardian) are accessible only by authorized LEAs and LE officers (LEOs).
- That the MIAC Compliance Officer reviews and approves each Activity Report entry on a weekly – if not daily – basis, that information is reviewed and approved prior to its entry into the eGuardian system, and that all bulletins are peer-reviewed before their dissemination.
- That “personally identifying information” was to be construed broadly for the purposes of question 6 on the Record Evaluation Form, and not to be construed to mean “personal information” (as defined in 10 M.R.S. c. 210-B), which is more narrowly defined.

POINTS OF DISCUSSION FOR FURTHER REVIEW WITH THE ADVISORY BOARD

Points of discussion during the audit that will be further discussed by the Board included:

1. The use of the MIAC to assist in the background check process with the hiring of new State Troopers and Police Officers. Does it align with the mission and policy of the MIAC?
2. Recommended minor changes to the Privacy/Civil Liberties/Civil Rights audit template to help clarify some of the questions.
3. Recommend developing a Privacy/Civil Liberties/Civil Rights audit guidelines to aid the people participating in the audit.

CONCLUSION

- The audit found no evidence of nonconformance by the MIAC with the Center's Privacy Policy, revised 04 October 2021.
- As in previous audits, the inclusion of two MIAC Advisory Board Members in the P/CR/CL Audit was found to be constructive and beneficial to this process. They provided valuable feedback and engaged in meaningful discussion on a variety of matters relating to P/CR/CL.

ATTACHMENTS

- Individual evaluation forms accounting for the Team's work during the privacy audit.
