Group Crisis Intervention

Course Description:

Designed to present the core elements of a comprehensive, systematic, and multi-component crisis intervention curriculum, the Group Crisis Intervention

course will prepare participants to understand a wide range of crisis intervention services. Fundamentals of Critical Incident Stress Management (CISM) will be outlined, and participants will leave with the knowledge and tools to provide several group crisis interventions, specifically RITS (Rest Information and Transition) CMB's (Crisis Management Briefings), Defusing's, and the Critical Incident Stress Debriefing (CISD). The need for appropriate follow-up services, health and wellness and referrals, when necessary, will also be discussed.

This course is designed for anyone in the fields of Business & Industry Crisis Intervention, Disaster Response, Education, Emergency Services, Employee Assistance, Healthcare, Homeland Security, Mental Health, Military, Spiritual Care, and Traumatic Stress.

ABOUT THE INSTRUCTOR

Dr. Laurie Cyr-Martel D.BH, CCISM, LCPC

Dr. Cyr –Martel brings over thirty-five years of experience in the field of emergency services and mental health and wellness to her current position as Director for the Student Counseling Center at the University of New England. Outside of UNE, Laurie provides training and consultation for public safety departments, emergency systems and organizations to assist in their health and wellness. Dr. Cyr-Martel has consulted with and for emergency service systems throughout the United States.

She is currently licensed in the State of Maine as a L.C.P.C. and completed her Doctorate in Behavioral Health at Arizona State University. Her Background includes a Master's in Counseling Psychology, Bachelor's in Social and Behavioral Sciences, Associates in Fire Technology, and past Paramedic Licensure in California and Maine. Dr. Cyr-Martel has also received training as a reserve police officer and has attended the State of Maine Criminal Justice Reserve Academy and worked with Lewiston Police Dept. (LPD) for several years as their forensic behaviorist and is trained as a crisis negotiator. She has created and presented numerous trainings for Paramedic Programs, Regional 911 Communication Centers, Judicial Marshalls, and Law Enforcement Agencies consisting of patrol officers, hostage negotiation teams, detectives and youth and family services.

She is a member and Certified Trainer for ICISF, (International Critical Incident Stress Foundation) and has served on the Maine Critical Incident Debriefing Team over 27 years and is currently the clinical director for Lewiston Police Departments Critical Incident Stress Management Team. She is also a member of the New England Crisis Negotiators Association, The American Mental Health Counseling Association, the American College Counselors Association, Association of College Counseling Center Directors (AUCCCD)
