EXECUTIVE DIRECTOR'S REPORT

Agency bills LD 1743, which changes the words "electronic facsimile" to "electronic table games" in 8 M.R.S. §1001(13-A) and 8 M.R.S. § 1001(43-A); and LD 1745 which allows gaming employees at renewal to purchase a 1 or 3-year license saving \$25 over the three-year period became law.

The Gambling Control Unit received biannual budget funding to develop an online application process for initial and renewal applications for casino employees and sports wagering employees.

January 2023 starts the next legislative session. Possible agency bills or bills the Board would like the department to pursue are:

- a. A bill to create a universal self-exclusion list to include all areas of legal gambling offered in Maine.
- b. A bill to allow employee registration for 3 years rather than annually to coincide with LD 1745. The bill would remove the fee for renewal.

LD 585 Sports Wagering passed with the regulatory oversight of the Exec. Director and the Gambling Control Unit. There is a separate contact list for notifications of rulemaking. Contact Mallory Reilly or Cami Hippler to be placed on that list.
