Re: Request by York Voter Alliance for Waiver of Late-Filing Penalty Due to Late 2-Day Pre-General Independent Expenditure Report

The York Voter Alliance (YVA) was required to file a 2-Day Pre-General Independent Expenditure (IE) Report no later than October 1, 2022. YVA filed the report on November 14th, 44 days late. The preliminary penalty is \$672.61. YVA is requesting a waiver of the penalty.

LEGAL REQUIREMENTS

Any person, party committee, political committee or political action committee that makes any independent expenditure in excess of \$250 per candidate in an election from the 60th day through the 14th day before an election, must file a report within two calendar days of the expenditure. 94-270 C.M.R. Ch. 1 § 10(3)(B)(2). If a person is late in filing a campaign finance report, the amount of the penalty is set by a formula which takes into consideration a percentage of the total contributions or expenditures, whichever is greater, the number of prior violations within a two-year period, and the number of days the report is late. 21-A M.R.S. § 1020-A(4-A).

DISCUSSION

On October 27th, Political Committee & Lobbyist Registrar Emma Burke received an email from Suzanne Berlin, the chair of the York Republican Town Committee. In this email, Ms. Berlin attached a picture of yard signs that had been put up in York stating “Mills 4 ME” with the only disclosure statement being “York Citizens Alliance” printed at the bottom. Neither the York Citizens Alliance, nor the York Voter Alliance, which appear to be the same group, are registered as a PAC. Due to the lack of registration, and the lack of complete disclosure on the signs, it was not clear to those viewing the signs who paid for and disseminated them.

Within the few days after, Ms. Burke was in contact with the York municipal clerk about the signs and if the town planned to act on them. The clerk communicated to Ms. Burke the signs were being taken down voluntarily and the disclosure statements corrected. The clerk also passed along the name of a David Chase, who was a known leader of this group and was involved with the purchasing and dissemination of the signs.

After this conversation with the clerk, Ms. Burke reached out to Mr. Chase via phone, and left a voicemail for him. At this juncture, though the YVA was correcting its disclosure issues within the 10 days allowed by statute (21-A M.R.S. § 1014(4)), Ms. Burke was concerned about the cost of the signs being an independent expenditure and needing to be reported on an independent expenditure report, due to the language on the sign expressly advocating for Governor Mills' election. On November 9th, Mr. Chase emailed Ms. Burke asking for the details of the concerns with the signs and what kind of report needed to be filed. Ms. Burke responded explaining when an independent expenditure report needs to be filed, and a link to a PDF of a blank report for him to complete if necessary.

On November 14th, the Commission received a 2-Day Pre-General Independent Expenditure Report from the York Voter Alliance, showing a \$764.33 expenditure for yard signs on September 29th.

Based on the statutory formula for calculating late-filing penalties, the preliminary penalties amount to \$672.61, calculated as follows:

Report	Deadline	Financial Activity	Penalty Rate	Days Late	Preliminary Penalty
2-Day Pre-General IE Report	10/01/2022	\$764.33	2%	44	\$672.61

In YVA's waiver request, Mr. Chase states simply the YVA is an informal, ad hoc group that felt this year's gubernatorial election "demanded action" and they simply were not aware of all the requirements and reporting regulations. This small group of individuals fundraised among themselves and made one purchase for signs. Mr. Chase states he did attempt to do some research about disclosure requirements under the Department of Transportation's regulations.

STAFF RECOMMENDATION

IE reports are considered essential for public awareness prior to general elections. Without these reports, any interested member of the press, public, or candidate campaigns would need to wade through thousands of transactions on reports covering greater lengths of time, to determine if any candidate supporting or opposing purchases had been made. In this case, the appearance of these signs in York caused concern as there was no way for a general member of the public to know who paid for and disseminated them.

There have not been any cases similar enough in recent history to this to provide precedence guidance to the Commission. Most late filing penalties are assessed against candidates, PACs, or other committees that are registered with the Commission (see attached chart). The YVA is not a PAC, nor were they required to register as one, thus there is no treasurer to be experienced, and there were no reminders to be received. The Commission staff do strongly believe, however, if funds are to be raised and spent on communications encouraging Mainers to vote in a certain way, the individuals involved are obliged to know and follow the rules and laws put in place to regulate such behavior, even though that is arguable burdensome. The Commission staff recommends reducing the penalty to \$200.00 to account for the limited public harm, as the signs were only disseminated in York, and the inexperience of the individuals involved, particularly Mr. Chase.

The signs did not initially comply 21-A M.R.S. § 1014(2) because they did not state who paid for them. The Commission staff does not recommend any action on this because Mr. LaFreniere remedied the signs once he learned about the requirement.

Thank you for your consideration of this memo.

Dear Ms. Burke:

On November 16th we received your communication concerning late filing of a "2-day pre-general independent expenditure report," charging the York Voter Alliance \$672.61 as a penalty for failure to file in a timely fashion. Truth is, we were ignorant of the filing requirement and ask that the Commission waive or reduce the penalty.

Let me explain. The York Voter Alliance is an informal aggregation of voters, some affiliated with a political party, most not, who come together occasionally on an ad hoc basis. There is no formal structure or membership. This year's gubernatorial election several of us felt demanded action.

The group was brought together from time to time in years past by the late Ted Little, with my assistance. He led on state elections, I on federal. With his death last year, state elections fell to me. The prospect of another LePage term in office seemed beyond the pale. And the local Democrats were not doing much of anything in the way of campaign signs—a strength of the local GOP. A few folk raised a bit of money and with it we bought signs. Before doing so, I researched what would be required and found the signs regs at Title 23/1913-A and MDOT's site. I did not come upon reporting requirements. My error. When informed by York's town clerk that our signs were not fully compliant, we pulled them all—despite the fact that LePage, Thelander and Hunkler signs were non-compliant and remained in place. As I say, we pulled all our signs, updated them, and reposted. I asked the town clerk for guidance; she told what the signs needed but not about reporting. Again, my error in not seeking further information.

Our total expenditure was \$764.33. A penalty of \$672.61 seems excessive. We hope the Commission will exercise its authority to waive the penalty, or at least to reduce it.

Now fully aware of the regulations concerning reporting, if in future the York Voter Alliance posts signs again, we will comply.

Thank you for your consideration,

Re: Late Filing of 2-Day Pre-General Independent Expenditure Report

Dear David:

The Commission staff has made a finding you were late in filing a 2-Day Pre-General Independent Expenditure campaign finance report. The report was due by 11:59 p.m. on October 1, 2022 but was not filed until November 14, 2022. Under the Commission's statutes, the late filing of a report triggers an enforcement process. (21-A M.R.S.A. § 1020-A). Based on the amount of financial activity in the report, the number of calendar days the report was late, and any history of violations from the committee, the Commission staff has determined a penalty of \$672.61 is owed. (Please see attached penalty matrix for the calculation.)

The committee may make a written request the Commission waive the violation or penalty in whole or in part. Any request for a waiver must be made within 14 calendar days of your receipt of this notice. The request must be in writing and contain a full explanation of the reasons the committee filed late. Upon receiving your request, the Commission staff will schedule your appeal for an upcoming Commission meeting.

The Commission may waive the penalty if it determines the report was late due to mitigating circumstances, which are defined as (1) a valid emergency; (2) an error made by the Commission staff; or (3) relevant evidence the committee made a bona fide effort to file the report on time. Also, the Commission may waive the penalty if it is disproportionate to the level of experience of the person filing the report or the harm suffered by the public from the late disclosure.

Please call (207) 287-4709 or send an email to emma.burke@maine.gov if you have questions.

Sincerely,

Emma Burke

Hi David,

If you, or a group, of folks spent more than \$250 on the 'Mills 4 ME' signs, then an Independent Expenditure report was required to filed with our office, within one or two days of the signs being purchased. Even though we are now post-election, the report remains required, and unfiled.

The report is available here:

§1019-B. Reports of independent expenditures

1. Independent expenditures; definition. For the purposes of this section, an "independent expenditure" means any expenditure made by a person, party committee or political action committee that is not made in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's authorized political committee or an agent of either and that:

A. Is made to design, produce or disseminate any communication that expressly advocates the election or defeat of a clearly identified candidate; or [PL 2021, c. 132, §7 (AMD).]

B. Unless the person, party committee or political action committee making the expenditure demonstrates under subsection 2 that the expenditure was not intended to influence the nomination, election or defeat of the candidate, is made to design, produce or disseminate a communication that names or depicts a clearly identified candidate and is disseminated during the 28 days, including election day, before a primary election; during the 35 days, including election day, before a special election; or from Labor Day to a general election day. [PL 2021, c. 132, §7 (AMD).]

[PL 2021, c. 132, §7 (AMD).]

2. Commission determination. A person, party committee or political action committee may request a determination that an expenditure that otherwise meets the definition of an independent expenditure under subsection 1, paragraph B is not an independent expenditure by filing a signed written statement with the commission within 7 days of disseminating the communication stating that the cost was not incurred with the intent to influence the nomination, election or defeat of a candidate, supported by any additional evidence the person, party committee or political action committee chooses to submit. The commission may gather any additional evidence it determines relevant and material and shall determine by a preponderance of the evidence whether the cost was incurred with intent to influence the nomination, election or defeat of a candidate.

[PL 2021, c. 132, §8 (AMD).]

3. Report required; content; rules.

[PL 2009, c. 524, §6 (RPR); MRSA T. 21-A §1019-B, sub-§3 (RP).]

4. Report required; content; rules. A person, party committee or political action committee that makes any independent expenditure in excess of \$250 during any one candidate's election shall file a report with the commission. In the case of a municipal election, the report must be filed with the municipal clerk.

A. A report required by this subsection must be filed with the commission according to a reporting schedule that the commission shall establish by rule that takes into consideration existing campaign finance reporting requirements. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2011, c. 558, §2 (AMD).]

B. A report required by this subsection must contain an itemized account of each expenditure in excess of \$250 in any one candidate's election, the date and purpose of each expenditure and the name of each payee or creditor. The report must state whether the expenditure is in support of or in opposition to the candidate and must include, under penalty of perjury, as provided in Title 17-A, section 451, a statement under oath or affirmation whether the expenditure is made in cooperation, consultation or concert with, or at the request or suggestion of, the candidate or an authorized committee or agent of the candidate. [PL 2015, c. 350, §6 (AMD).]

C. A report required by this subsection must be on a form prescribed and prepared by the commission. A person filing this report may use additional pages if necessary, but the pages must be the same size as the pages of the form. The commission may adopt procedures requiring the electronic filing of an independent expenditure report, as long as the commission receives the statement made under oath or affirmation set out in paragraph B by the filing deadline and the commission adopts an exception for persons who lack access to the required technology or the

§1020-A. Failure to file on time

1. Registration. A candidate that fails to register the name of a candidate, treasurer or political committee with the commission within the time allowed by section 1013-A, subsection 1 may be assessed a forfeiture of \$100. The commission shall determine whether a registration satisfies the requirements for timely filing under section 1013-A, subsection 1.

[PL 2019, c. 323, §18 (AMD).]

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 7, the commission shall determine whether a report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if the commission determines that the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff or the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

A. A valid emergency determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part; [PL 1999, c. 729, §5 (AMD).]

B. An error by the commission staff; [PL 1999, c. 729, §5 (AMD).]

C. Failure to receive notice of the filing deadline; or [PL 1999, c. 729, §5 (AMD).]

D. Other circumstances determined by the commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service or interruptions in Internet service. [PL 2009, c. 190, Pt. A, §13 (AMD).]

[PL 2009, c. 190, Pt. A, §13 (AMD).]

3. Municipal campaign finance reports. Municipal campaign finance reports must be filed, subject to all the provisions of this subchapter, with the municipal clerk on forms prescribed by the Commission on Governmental Ethics and Election Practices. The municipal clerk shall send any notice of lateness required by subsection 6 and shall notify the commission of any late reports subject to a penalty.

[PL 2011, c. 389, §22 (AMD); PL 2011, c. 389, §62 (AFF).]

4. Basis for penalties.

[PL 2001, c. 470, §7 (AMD); MRSA T. 21-A §1020-A, sub-§4 (RP).]

4-A. Basis for penalties. The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

A. For the first violation, 2%; [IB 2015, c. 1, §7 (AMD).]

B. For the 2nd violation, 4%; and [IB 2015, c. 1, §7 (AMD).]

C. For the 3rd and subsequent violations, 6%. [IB 2015, c. 1, §7 (AMD).]

Any penalty of less than \$10 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

A registration or report may be provisionally filed by transmission of a facsimile copy of the duly executed report to the commission, as long as the facsimile copy is filed by the applicable deadline and an original of the same report is received by the commission within 5 calendar days thereafter. [IB 2015, c. 1, §7 (AMD).]

5. Maximum penalties.

[PL 2001, c. 470, §8 (AMD); MRSA T. 21-A §1020-A, sub-§5 (RP).]

5-A. Maximum penalties. Penalties assessed under this subchapter may not exceed:

A. Five thousand dollars for reports required under section 1017, subsection 2, paragraph B, C, D, E or H; section 1017, subsection 3-A, paragraph B, C, D, D-1 or F; and section 1017, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity; [PL 2019, c. 323, §19 (AMD).]

A-1. Five thousand dollars for reports required under section 1019-B, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity; [PL 2019, c. 323, §19 (AMD).]

B. Five thousand dollars for state party committee reports required under section 1017-A, subsection 4-A, paragraphs A, B, C and E, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity; [PL 2019, c. 323, §19 (AMD).]

C. One thousand dollars for reports required under section 1017, subsection 2, paragraphs A and F and section 1017, subsection 3-A, paragraphs A and E; or [PL 2011, c. 558, §4 (AMD).]

D. Five hundred dollars for municipal, district and county committees for reports required under section 1017-A, subsection 4-B. [PL 2011, c. 558, §4 (AMD).]

E. [PL 2011, c. 558, §5 (RP).]

[PL 2019, c. 323, §19 (AMD).]

6. Request for a commission determination. If the commission staff finds that a candidate or political committee has failed to file a report required under this subchapter, the commission staff shall mail a notice to the candidate or political committee within 3 business days following the filing deadline informing the candidate or political committee that a report was not received. If a candidate or a political committee files a report required under this subchapter late, a notice of preliminary penalty must be sent to the candidate or political committee whose registration or campaign finance report was not received by 11:59 p.m. on the deadline date, informing the candidate or political committee of the staff finding of violation and preliminary penalty calculated under subsection 4-A and providing the candidate or political committee with an opportunity to request a determination by the commission. Any request for a determination must be made within 14 calendar days of receipt of the commission's notice. A candidate or political committee requesting a determination may either appear in person or designate a representative to appear on the candidate's or political committee's behalf or submit a sworn statement explaining the mitigating circumstances for consideration by the commission. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

[PL 2013, c. 334, §17 (AMD).]

7. Final notice of penalty. If a determination has been requested by the candidate or political committee and made by the commission, notice of the commission's final determination and the penalty, if any, imposed pursuant to this subchapter must be sent to the candidate and the political committee.
