

# Resource Report

The following resources are identified for general informational purposes only and are compiled with publicly available information or with information provided by sources that are publicly obtainable. Please view this document as only a starting point for individual research. The user should always directly consult the provider of a potential resource for current program information and to verify the applicability of a particular program. This is not a complete roster of all available programs. Resource Reports aren't final policy interpretations nor guarantees of funding and don't constitute an endorsement by FEMA for any particular program or entity.

## Federal Resources

Eligible State(s)	Program/Website	MAX-TRAX Record	Deadline if posted	Description	Eligibility	Award Ceiling
