ADMINISTRATION

Executive Director Sneirson discussed reporting on Commission activities from June 2020:

- Personnel: The Personnel report was presented and placed on file.
- Compliance: Since the last meeting, there were no unsuccessful conciliations and no successful conciliation. Five reasonable-grounds cases remain in active conciliation.
- New Charges: 40 new charges filed in June.
- Administrative Dismissals: 19 administrative dismissals in June.
- There were 16 predetermination settlements in June with benefits of \$505,225 to complainants.

NEW BUSINESS

Executive Director Sneirson discussed the following recent developments:

- There is a proposed 2021 Commission meeting schedule, which assists the Commission in planning and scheduling. Commissioner Ashby moved, seconded by Commissioner Whitworth, to adopt the 2021 meeting schedule. 4 in favor | 0 opposed.
- The MHRC moved back to 19 Union Street.
- As of July 1, the Commission can receive, investigate as necessary, and analyze reports of discrimination based on homelessness in Maine. This is a two-year pilot program which will result in annual reporting to the Legislature on the incidence of discrimination based on homelessness.
- It appears that the Legislature may reconvene in August for some period, but it is not known if any of the Commission's budget items, legislative matters, or Commissioner appointments will be taken up during that session. When the Legislature precipitously closed this Spring, the Commission budget

requests that had been approved by the Appropriations Committee were not included in the COVID-19-focused budget signed into law at that time..

- Since the last meeting, the Commission was awarded several grants from one of its federal worksharing partners, the U.S. Department of Housing and Urban Development. HUD initially awarded the Commission two grants focused on outreach (one related to assistance animals and one related to shelters) which may have to be adapted in terms of delivering outreach in COVID-19. After that, the federal CARES Act included specific funding for HUD's fair housing assistance partners; the Commission was awarded funds for technology required to adapt to enforcing fair housing laws during COVID-19, doing outreach about fair housing and COVID-19, and creating a webinar/public service announcement related to fair housing and COVID-19.

Litigation will be addressed after the Executive Session.

At 8:45 AM Commissioner Whitworth began the case hearing agenda.

Commissioner Whitworth moved, seconded by Commissioner Helberg, to table the case of H20-0033-A-D, Carl White (Orono) and Deborah White (Orono) v. Dryden Terrace Property Managers (Bangor), Epstein Properties (Bangor), Cabrel Company (Bangor), and Josh Whalen (Bangor). 4 in favor | 0 opposed.
