Preamble

Whereas the County of York (hereinafter referred to as the Employer) and the Maine State Employees Association, Service Employees International Union, Local 1989 and its York County Local #1297 (hereinafter referred to as the Union) desire to establish a constructive, cooperative and harmonious relationship, to promote effective service and quality of work life toward the accomplishment of the missions of the County and to establish, an equitable and peaceful procedure for the resolution of differences, the parties hereby enter into this Agreement.

ARTICLE 1 Bereavement Leave

In the event of death in the immediate family of an employee, the employee shall be granted up to five (5) continuous working days leave of absence with full pay for each death to make household adjustments, arrange for medical services, or to attend funeral services within thirty (30) days of the date of death unless otherwise approved by management. Immediate family is defined as spouse, mother, father, foster parents, children, brother, sister, grandparents, and grandchildren, father-in-law, mother-in-law, step parents, step children, or persons living in the immediate household. Employees shall be granted one (1) working day to attend the funeral or services for other relatives.

For purposes of clarification, any parental death in the immediate family of the employee includes a former spouse and/or parents if legal children are present in this family tree.

ARTICLE 2 Bulletin Boards

The Employer shall provide reasonable Bulletin Board space at all work sites for the use of the Maine State Employees Association-Service Employees International Union Local 1989 and its Local 1297 for the purpose of posting notices, bulletins and other materials consistent with the Union's right to inform its membership.

The Union is solely responsible for the accuracy of material that it posts. No materials defaming the Employer or engaging in or interfering with the politics of County Government will be placed on Union bulletin board space. All posted Union material shall be identified by official Union logo. (Reasonable will mean 1/4 of the bulletin boards.)

ARTICLE 3 Call-in Time

Any employee called to work outside of their regularly scheduled hours shall be paid for a minimum of four (4) hours at the rate of time and one-half. Staff training and required safety meetings are exempt from the call-back provision and employees will be paid for only the actual time worked, so long as the training meeting is contiguous with the beginning or end of an employee's shift.

ARTICLE 4 Check-Off

[Article 46 now addresses both payroll deductions and union security and so the previous language in this article has been superseded]

ARTICLE 5
Conduct of Employees

General Policy - A County employee is prohibited from engaging in conduct that would reflect unfavorably upon County service. County employees must avoid any action that might result in, or create the impression of, using public office for private gain, giving preferential treatment to any person or losing complete impartiality in conducting County business.

Receipt of Gifts - A County employee is prohibited from soliciting or accepting any gift, gratuity, favor, entertainment, loan, or any other thing of monetary value. Acceptance of nominal gifts in keeping with special occasions, such as marriage, retirement, Christmas, or unsolicited advertising or promotional materials, e.g. pens, note pads, calendars, of nominal value, is permitted. Contribution to a flower fund or gift to a fellow employee is allowable, provided such contribution is wholly voluntary on the part of the employee and that the gift is of nominal value in keeping with the spirit of the event.

Outside Employment - An employee may engage in outside employment provided:

1. There will be no interference with the performance of duties at the York County job.
2. There will be no conflict of interest as a result of the outside employment.
3. The employee in no way will utilize resources of the York County Government for purposes of their outside employment.

If it is determined that such outside employment is not advantageous to the respective department and, after consultation with the Department Head and the employee, the employee will be notified, in writing by the Department Head, that the outside employment must be terminated or the employee must resign their York County employment.

The Employer shall in no respect be liable nor grant sick leave or disability leaves in cases of any injury or illness to an employee while they are engaged in outside employment, nor to any occupational disability attributed thereto.

County Property - Employees must not, directly or indirectly, use or allow the use of County property of any kind for other than official activities. A County telephone may be used for personal business only on an emergency basis, and any personal long-distance calls made must be reported to the Department Head, who will require reimbursement from the employee upon receipt of the telephone charges.

Privileged Information - Employees may deal with plans and programs of significant public interest. Employees must not use this privileged information for their own financial advantages. If an employee finds that they have an outside financial interest, which could be affected by York County Government plans or activities, they must immediately report the situation to their supervisor. Each employee is charged with the responsibility of ensuring that they release only information that should be made available to the general public. Violation of privileged information or use of such for private gain is grounds for discharge of the employee.

Tardiness and Absence - Punctuality and regular attendance are expected. If an employee must be absent or late, they must notify the Department Head as early as possible. Habitual tardiness and absenteeism are causes for disciplinary action up to and including dismissal and are considered in requests for promotion and transfers.

ARTICLE 6

Contracting and Subcontracting

During the term of this Agreement, the Employer shall not contract out any work which would result in the reduction of staff or reduce the regular scheduled working hours of employees, as long as it can be performed, by the employees in-house.

ARTICLE 7

Copies of Agreement

The Employer agrees to provide, within thirty (30) days of the signing of this Agreement, copies of this Agreement to all employees in the bargaining unit and will be given to all new employees as part of their employment packet.

ARTICLE 8

Discipline and Discharge for Cause

Section 1

Employees may be discharged for just cause after the Employer has given due written warning to the employee and the Union Steward or other authorized agent of the Union. For record retention purposes, all disciplinary action of a verbal or written nature shall be removed from all files after a period of eighteen (18) months from the date of issuance and may not be relied upon for any purpose by either party. A copy of all disciplinary actions and removals from the personnel files of the employee in question, shall be given to the President of Local 1297. The spirit of this

clause is that discipline will not be allowed to accumulate against an employee without their knowledge.

Notwithstanding the above, the Employer shall place all written disciplinary action older than eighteen (18) months into the purged file. The purged file is maintained for the limited purpose of maintaining historical records of discipline for litigation purposes only. Release of purged file information can only occur where a court has ordered the release of otherwise confidential personnel records, or if the employee has signed a waiver of release to otherwise confidential records.

Section 2 **Discipline**

The purpose of disciplinary action shall be to correct an employee's inadequate performance so the employee may become a satisfactory employee. The employee's respective Department Head shall be responsible for providing appropriate disciplinary action. Disciplinary action for inadequate service shall be taken in situations including the following when:

1. an employee allows their work habits, production, or ability to handle the duties of the position to fall below an adequate level of performance;
2. an employee acts in a manner which impairs the discipline or morale of other County employees;
3. an employee commits an act of gross insubordination, including deliberate disobedience of a lawful directive given by their supervisor;
4. an employee steals property from other employees or the County and is charged and convicted of same or destroys the personal property of other employees or the County and is charged and convicted of same;
5. an employee is absent without leave as defined in Article 43 of this article;
6. an employee knowingly gives false statements to their supervisor or the public or knowingly falsifies public records;
7. an employee solicits or accepts gifts and/or gratuities other than those of a nominal nature for the performance of his/her regular duties;
8. an employee exerts political influence or unethical pressure on any County employee to secure promotion, reclassification, leave of absence, increase in pay and/or other special favors;
9. an employee removes County property from the Courthouse or other County worksites without appropriate permission of the proper authority.

All written disciplinary actions will be placed in the personnel file and may be retained for the period of time as outlined in Section 1 of this Article.

Disciplinary Procedures: Disciplinary actions shall be progressive and shall include the following:

1. corrective memorandum
2. written reprimand
3. suspension
4. discharge

In cases of extreme employee behavior, the progressive nature of disciplinary action may be waived and the higher levels of discipline may be imposed within the standard of just cause.

ARTICLE 9 Drug-Free Workplace

The Employer strictly prohibits the use of illegal drugs and / or alcohol in its workplaces. Possession, sale, purchase, or transfers of illegal drugs and / or alcohol while on the Employer's business shall be deemed a violation of this policy and shall be dealt with through the disciplinary procedures elsewhere outlined in this Agreement up to and including dismissal. This declaration is pursuant to and in conformance with the provisions and intent of Public Law 1-100-6990 Title V Subsection D, US Code 701 (Drug-Free Workplace Act of 1988).

To protect and enhance our indoor air quality and to contribute to the health and well being of all employees and visitors, the County and all its facilities are entirely smoke and vaping free. Accordingly, smoking, vaping, and use of tobacco products is prohibited in all of the enclosed areas within all facilities and vehicles, without exception. Additionally, the use of all tobacco and vaping products, including chewing tobacco, is banned from all facilities, except in designated areas.

No smoking or vaping is allowed within a fifty (50) foot area of any County building. The only designated smoking and vaping area is outdoors in the designated areas. Additionally, employees may smoke or vape in their personal vehicles, but the smoke, vaping and tobacco products must be completely contained within the vehicle. Smoking in any other area is strictly prohibited.

Finally, smokers, vapers, and users of tobacco products must dispose of the remains in the proper containers.

ARTICLE 10 Employee Development and Training

The Employer may provide tuition reimbursement not to exceed five hundred dollars (\$500.00), for any course approved in advance by the Department Head, taken voluntarily, on the employee's own time, which is related to the job and for which the employee obtains a passing grade of C/80 or better. Written application for reimbursement must be made in advance to the employee's Department Head with a record of the employee's grades provided. A Department Head may deny reimbursement if funding is not available in the Department budget. The employee shall receive a complete written explanation of denial.

The Employer further recognizes that seminars, conferences and other educational and training expenses are important to employee development. Where such opportunities are deemed to be of mutual value to the employer and employees, Department heads shall arrange for payment in advance to the providers of these seminars and training units.

Any employee required to attend a seminar, conference or course of training during working hours shall be considered "working", including any travel time, and will receive his/her normal wages or salary.

ARTICLE 11

Employee Organization Leave

1. Organizational Activities

- a. The Employer shall grant paid leave to any bargaining unit member who is elected to serve on the Board of Directors of the MSEA-SEIU, the Executive Board of the International Union, or delegate to a Convention of MSEA-SEIU or the Service Employees International Union, such leave not to exceed four working days per calendar year.
- b. The Employer shall grant up to four (4) years unpaid leave of absence to any bargaining unit member elected to a full-time position with the union or its affiliates without loss of seniority.
- c. The Employer shall grant two (2) working days per calendar year for each Union steward, to attend union approved education and training programs.
- d. Union members who are part of the negotiation team will be allowed reasonable time off, without loss of pay, to represent the union in negotiation sessions scheduled with the county concerning the collective bargaining agreement.

2. Stewards

The Union shall designate stewards from among the bargaining unit members to handle grievances, investigations, and other appropriate union business. The steward shall meet with supervisors, department head, and the County Manager to investigate and adjust conflicts and process grievances in order to resolve disputes at the lowest possible level. Such meetings shall be on the Employer's time and shall occur in such a manner as to cause as little disruption to County business as possible, but in no case shall time-off exceed a total of two (2) hours per week, less any travel time, per steward except with the written permission of the department head or County Manager. It is understood that all persons involved in employer / union relations will assume responsibility for conforming to appropriate standards of personal conduct. The steward, upon completion of business, will report back to their work assignment.

ARTICLE 12

Family Leave

Family Leave - Family medical leave act requests shall be granted to County employees in accordance with the provisions of Title 29 U.S.C. section 2612 et seq., 26 MRSA section 843 et. seq., and CFR Title 29 part 825.

The Family Medical Leave Act (FMLA) requires employers with fifty or more employees to provide up to 12 weeks per year of unpaid family and medical leave to eligible employees and to restore those employees to the same or equivalent position on their return. Eligible employees are entitled to take leave for the birth, adoption or placement in foster care of a child, the care of a seriously ill child, spouse or parent, the employee's own serious health condition, military caregiver leave, any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on covered active duty; and such other reasons and upon such terms as may from time to time be enacted by Congress or adopted by the U.S. Department of Labor such as expanded family and medical leave. .

ARTICLE 13 Grievance Procedure

Grievance and Arbitration Procedure

Any grievance or dispute which may arise between the parties including the application, meaning or interpretation of this Agreement, and also charges of favoritism or discrimination, shall be settled in the following manner:

Step 1. The aggrieved employee and / or his / her steward or representative shall present the grievance or dispute with the employee's Department head within thirty (30) working days of the date of the incident or the employee's knowledge of its occurrence. The Department Head shall attempt to adjust the matter and shall respond to the steward within ten (10) working days. For purposes of this Agreement, a working day shall be considered Monday through Friday (excluding holidays) 8:00 a.m. to 4:30 p.m. If the Department Head does not respond to the steward within the specified timeframe as established herein or as extended by mutual agreement, the grievance will proceed to Step 2 and the Union will so notify the County Manager of the elevation of the grievance to that step level.

Step 2. If the grievance remains unadjusted after Step 1, the Union shall submit the dispute to the County Manager in writing, within fifteen (15) working days after the response of the department head. The County Manager shall hold a meeting with the aggrieved employee and representative for the purpose of adjusting the grievance within fifteen (15) days of the request. The County Manager will provide a written response within twenty (20) days of the Step 2 meeting. If no resolution is reached to the aggrieved employee, may proceed to Step 3 of the grievance in process.

Step 3. If the grievance is still unsettled after Step 2, the Union shall submit the grievance to the County Commissioners in writing within fifteen (15) working days after the response of the County Manager is received. The Board of Commissioners shall schedule a hearing within fifteen (15) working days after the grievance is submitted to the Board of Commissioners or as soon thereafter as may be mutually agreed upon. The County department head, Union and aggrieved employee shall present all evidence relating to the grievance to the Board of Commissioners. After the hearing with the Commissioners, they may submit their findings orally

or in writing. The Commissioners shall provide their written decision within twenty (20) days of the date of the hearing.

Step 4. If the grievance is still unsettled after Step 3, the Union shall submit the grievance to arbitration by notifying the County Manager in writing within thirty (30) working days from the publication of the commencing decision. The time period for requesting arbitration shall be strictly enforced. The Union and the County shall endeavor in good faith to agree upon a single neutral arbitrator, but if they cannot, the employer or the Union shall request that a panel of three arbitrators be appointed by the Executive Director of the Maine Labor Relations Board designated in accordance for procedures. The arbitrator shall have no authority to add to, subtract from, or modify the Collective Bargaining Agreement, nor to consider any matter covered by the procedure set forth in 30-A M.R.S.A. § 501. No award may be retroactive more than twenty (20) days prior to the date of written presentation of the grievance as provided in Step 1. All fees charged by the arbitrators will be borne equally by the parties. Nothing in this Article shall diminish the right of any employee under Maine law to present his own grievance, nor limit the right of an employee to resolve a grievance informally with the employer provided the resolution is not contrary to this Agreement, nor shall any provision of this Agreement be deemed to modify the rights and remedies provided under 30-A M.R.S.A. § 501. If a grievance concerns any determination of the Commissioners involving the exercise and management rights under this contract, such a determination shall not be set aside by the arbitrators unless it shall be affirmatively found on the basis of credible evidence that the determination was made arbitrarily or in bad faith. The decision of the arbitrators, within the scope of the authority created in this Article, shall be final and binding upon all parties, subject to additional review under Maine Uniform Arbitration Act.

General Provisions:

1. All of the time limits contained in this Article may be extended by mutual agreement of the parties and such extensions shall, in order to be effective, be confirmed in writing. Similarly, the parties may mutually agree to bypass steps of the grievance procedure.
2. The employer agrees to provide all documents, notations or other materials relevant to the grievance upon written request from the union and its representatives.
3. Employees selected by the union to act as union representatives shall be known as "stewards". The names of employees selected as stewards, and the names of other union representatives who may represent employees shall be certified in writing to the employer by the Union.
4. Expenses for the Arbitrator's services and the proceedings shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its outside witnesses. If either party desires a verbatim record of the proceedings, it may cause a record to be made providing it pays for the record and makes copies available, without charge, to the other party and to the Arbitrator.

5. All grievance meetings shall be held during working hours on the Employer's premises and without loss of pay. At each step of the grievance procedure a meeting between the parties shall be held. Stewards and officers may investigate and process grievances during working hours without loss of pay or benefits.
6. The arbitrator shall be limited to ruling on interpretations as to the application or meaning of the terms of this Agreement. The arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this Agreement, or any other agreements made supplementary thereto. Furthermore, the arbitrator shall not rule on proposed amendments to, or modification of this Agreement, or its expansion or renewal. It is further agreed that the arbitrator shall not add to change, or rule on any grievances or disputes, involving the basic wage structure of the Employer.
7. The decision of the arbitrator shall be final and binding on the parties and the arbitrator shall be requested to issue a decision within thirty (30) days after the conclusion of testimony, argument or brief. If a brief is written, it will be given to the other side at the same time it is sent to the arbitrator. Expenses for the arbitrator's services shall be borne equally by the Employer and Union. However, each party shall be responsible for compensating its own representatives.
8. In no event can a grievance be taken to the next or any succeeding step of this procedure unless the union steward or representative meets the time limits or any extensions. Likewise, other than at the level of the Department Head at Step 1 of the grievance process, the failure of the Employer to adhere to any of the time limits shall constitute agreement with the grievance and any requested remedies.
9. All employees who are involved in the grievance process must get permission from their respective Department Head to leave their worksite. If operational considerations or workloads temporarily delay the release of the employee, he/she will be released as soon as practicable. Absent that practicality, the hearing will be rescheduled for an alternate date if necessary.

ARTICLE 14
Group Health Program
(Group Hospital, Surgical, and Major Medical Insurance)

The Employer provides a comprehensive group hospital, surgical, and major medical plan for regularly scheduled employees who work a minimum of thirty (30) hours per week. New employees are eligible to join the plan after being employed 30 days. The employee will be enrolled in the plan on the first day of the next month following their 30 days of employment.

A comprehensive group insurance policy covering health, dental, life, weekly disability, long term disability and accidental death and dismemberment (collectively the "insurance plan") is provided for full-time employees of the Union. The insurance plan will require the employee to elect the plan as set forth below or a substantially equal plan as recommended by the insurance committee and agreed to by the County Manager.

An employee may opt out of coverage if the employee has alternative health insurance coverage.

Beginning July 1, 2021 and continuing thru June 30, 2024, the County will contribute the following amounts towards the MMA PPO 2500 health insurance plan: \$772.81 towards the single plan, \$991.65 towards the employee/children plan and 1,283.46 towards the family plan. The County will also establish an HRA to cover the full cost (100%) of the individual's, employee/children, and Family deductibles and co-insurances not to exceed \$3,500 for an individual plan or \$7,000 for an employee/children or family plan.

The health plan administrator will be directed to apply all the funds in the employee's HRA account to any payments required to be made by the employee for any medical costs, prior to asking the employee to make any personal payment for such costs out of the employee's own pocket.

Employees who qualify for health insurance coverage under this Article but elect to be covered by a spouse's or domestic partner's health care plan or an equivalent plan shall be entitled to a \$1,800 cash payment prorated over 12 months after certifying other coverage to the County. The employee will thereafter be ineligible for County health insurance coverage for the succeeding 12 months unless a qualifying event occurs within this period.

A representative of the County and one representative from each Union shall participate on a committee to review health insurance providers and the cost of coverage with the goal of attempting to reduce the cost of health insurance.

Flexible Spending Account

The County previously took action to allow employees the ability to establish two flexible spending accounts. One so that employees may have pre-tax income set aside for the payment of uncovered medical/health related expenses and the other so that employees may have pre-tax income set aside for payment of childcare/dependent care expenses.

The County previously paid the "start-up" fee associated with the establishment of such accounts. It is understood that if there is a monthly fee required to participate in such accounts, it will be the responsibility of the employee to pay the fee(s). Participation in the flexible spending accounts is on a voluntary basis.

ARTICLE 15 Group Life Insurance / Disability

Group life insurance in an amount equal to one times the covered employee's base salary will be provided to all employees covered by the agreement.

The County shall provide at its expense long term disability coverage providing qualified employees up to 60% of regular earnings with a maximum of \$3000 per month after completing a 180 day disability period.

The County shall provide at its expense a short term income protection plan that will pay a qualified employee up to 70% of regular earning. The employee shall be required to use all accumulated benefits as required by the disability insurer during any period of disability to make up the remaining 30% of his/her regular weekly earnings. There shall be an elimination period for each employee to qualify for coverage as required by the Plan but no longer than 14 days. Long or short term disability shall not apply to any accident or illness covered by workers compensation insurance.

ARTICLE 16

Hours of Work and Overtime

1. The standard work week for all full-time employees shall consist of seven and one-half (7-1/2) hours per day, thirty seven and one-half (37-1/2) hours per week, Monday through Friday, except the jail mechanic, Sheriff's Executive Secretary, and the maintenance positions shall work eight (8) hours per day, forty (40) hours per week Monday through Friday.
2. Time and one-half shall be paid for all time worked in excess of eight (8) hours per day, in any continuous twenty-four (24) hours, beginning at the starting time of the employee's shift.
3. Time and one-half shall be paid for all time worked, in excess of forty (40) hours in any week, less all time for which daily overtime has been earned. Time and one-half shall be paid for all work performed on Saturdays.
4. Double time shall be paid for all work performed on any of the holidays designated in Article 20, Section 1 of this Agreement and on Sundays.
5. The Employer will make every reasonable effort to provide for an equitable distribution of overtime work among employees performing somewhat similar work, within an occupational classification within a department, as far as practicable. However, the Employer recognizes on the basis of both employee equity and management practicability in the distribution of overtime that specific areas or working groups may be substituted for the word, department. Such specific areas or working groups may be intra or interdepartmental. When it is determined that such conditions exist, the parties, by mutual agreement in writing, may deviate from the "department" concept. A record of overtime worked shall be kept by the immediate Supervisor on a standardized Divisional form, in duplicate, and such information shall be made available, upon request, to the Union Representative and the employee involved. An employee may decline overtime work for compelling personal reasons. However, insofar as practicable and consistent with County requirements, the County will in good faith make every effort to notify the employees who are required to work on Saturday or Sunday by the end of their shift on Thursday or Friday.
6. When an employee is assigned temporarily by their supervisor or by the County Manager to a job for which they are qualified in a higher pay grade for a period of fifteen (15) working days, the employee shall be paid retroactively from the

initial date of the temporary transfer for the duration of the temporary assignment. Employees shall be paid as if they had been promoted to such assignment. In no event may an employee acquire any status in a higher classification as a result of their temporary assignment. Acting capacity assignments shall not be made on an arbitrary or capricious basis. Employees shall not be rotated in an arbitrary or capricious manner in order to avoid payment of acting capacity pay. This paragraph shall not be used in lieu of the proper processing of any request for reclassification.

ARTICLE 16-A Part-Time Employees

A regular Part-time employee is one who is regularly employed to work a predetermined work schedule of twenty to twenty-nine (20-29) hours per week. The core number of hours for part-time employees will be 20 hours per week for all part-time employees hired after the execution of this Agreement. For certain positions the specific days, hours and patterns of days and hours may vary from week to week or month to month on the basis of the individual department or office needs.

A part-time employee's eligibility for, accrual of and use of benefits is governed exclusively by this article. A part-time employee will accrue vacation and sick time at rate which is one-half of the rate of a full-time employee. A part-time employee will receive holiday pay for the number of hours that the employee was otherwise scheduled to work if the employee is ordinarily scheduled to work on the holiday. There is no provision for the use of personal time by a part-time employee. Vacation and sick time shall be scheduled and used in the same manner as full time employees.

All part-time employment is credited with seniority at 50% per year of employment. For example, an employee who is employed in a part-time position for two calendar year will receive one-year of seniority should they be hired into a full-time position. Full-time employees who elect to go part-time will receive seniority at the rate of 50% per year for each year of part-time employment should they be rehired into a full-time position at some other point.

ARTICLE 17 Inclement Weather

The Employer and the Union both recognize that occasionally, and in the interests of the safety of employees and the public, a work day or part of a work day may be canceled due to inclement weather. If employees, after arriving at work, are sent home due to inclement weather, they shall be paid at their regular rate for their regular work day. Such determinations shall be the exclusive prerogative of the County Manager.

The county shall use the RAVE system to notify employees of a cancellation of the workday or delayed opening of work.

Employees working their regularly scheduled hours and who are not on vacation, sick leave, or scheduled day off, shall be granted time off with pay when such an occasion arises.

ARTICLE 18

Jury Duty

An employee summoned to jury duty will be excused from their work for the required period necessary to perform jury duty. The employee will be entitled to their regular wages during this period, less the amount received from jury duty, exclusive of travel, meal or parking expenses. In each instance, the employee will furnish his/her department Head and Human Resources with a copy of an official voucher showing the amount received for Jury Duty. An employee excused early or who was not called to duty, shall report to their supervisor for assignment.

ARTICLE 19

Labor/Management Committee on Safety & Health

The parties recognize that a safe and healthy workplace is in the interests of both the Employer and Employees. In this spirit, the parties, by this Agreement, will create a joint Labor/Management Committee on Safety and Health. Such committee shall consist of a management representative appointed by the Employer and a labor representative from each department appointed by the Union. Meetings of this committee shall occur once a month and shall be mandatory for all committee members.

This Committee shall be empowered to investigate and resolve workplace hazards, where possible, and shall work closely with professionals from Worker's Compensation insurance carriers, agencies of the State (including, but not limited to, the Bureau of Labor Standards, the Department of Environmental Protection, the Department of Corrections, and the Department of Public Safety), and other recognized experts in the fields of Occupational Safety and Health.

The mission of this committee shall be to prevent injury and illness, reduce hazards, and provide a forum and a vehicle for addressing these problems wherever they may arise in the departments of York County Government.

The Committee shall issue minutes on a monthly basis simultaneously to all parties. Nothing in this article shall be construed to limit the rights of individual employees to process complaints with the Department of Labor or other agendas with jurisdiction, but, prior to the filing of such a complaint, the individual employee shall first notify the Committee representative of the alleged violation or hazard and let the safety committee attempt to resolve any issue that may arise.

ARTICLE 20

Leave Benefits

General Policy - Leave is any authorized absence during regularly scheduled hours that is approved by prior authority of a department head. Leave may be authorized with or without pay and shall be granted in accordance with this policy on the basis of the work requirements of the department and, whenever possible, the personal wishes of the employees. Employees who are

granted unpaid time off are required to pay for their share as well as the county's share of all benefits.

1. Holiday Leave - The following days shall be recognized and observed for full-time employees as paid holidays when they fall on normal working days as may other days as published by the County Commissioners.

Advances in Technology

The Union and the County recognize and agree that there will be advances in technologies that the County may implement from time to time that will change the tasks and duties that are performed and the related responsibilities of positions within the bargaining unit. When the County implements such changes and work responsibilities, it will ensure that proper

training for each task has occurred. These advances include but are not limited to changes in hardware, software, computerization, robotics, and artificial intelligence. The resulting changes may allow computer driven programs to perform certain functions previously performed by employees at a faster pace and with a greater level of accuracy, among other things, and employees may perform new and different support functions related to those changes. As a result, regardless of the content of current or previous job descriptions and past practice, the parties agree that the actual tasks, duties, and related responsibilities of each position which are assigned to individual employees will also evolve and change over time as a result of the advances in technologies that are implemented in each department, all of which are subject to the grievance and reclassification provisions of this agreement if substantial change(s) occur.

The Union's request must be in writing and set forth a detailed explanation of how the employee's job duties have materially changed and why a reclassification to higher level is warranted.

If the Department Head agrees with the Union's position, the Department Head will submit a request for the job reclassification along with a detailed explanation of how there has been a material change in job duties that justifies a reclassification to a higher level to the County Manager. The County Manager may request additional information from the Department Head or the Union prior to making a decision on the recommendation. All requests for reclassification require the approval of the County Commissioners.

Department heads shall review each employee annually and provide the employee with the employee's current job description at least two weeks prior to the employee's annual review if requested by the employee or Union.

The Union's request for a change in an employee's job classification which is not adequately addressed by the Department Head and/or approved by the County Manager, or the County Commissioners is subject to the grievance procedure, but such a grievance is to be filed directly with County Commissioner's office (unlike all other grievances).

Any reclassification recommendation that is approved by the Department Head and the County Manager will be supported by the County Manager at any meeting of the County Commissioners and the Budget Committee in which the issue is discussed.
