MAINE STATE LIBRARY – SURPLUS SALE

The Maine State Library in conjunction with Central Services / Maine Surplus Property will be facilitating the sale of approximately 10,000 books from the Maine State Library collection. Libraries are constantly reviewing books and materials to determine relevance and necessity for users.

The Maine State Library located in Augusta, Maine has recently reviewed its collection and has deemed a portion as excess. These books will be offered through Maine Surplus Property to authorized DONEES (e.g. - qualified Non-Profits). Most Public Libraries are qualifying DONEES. All DONEES interested in purchasing books at this sale must have an approved application on file with Surplus Property submitted within the past three (3) years. Please see the following website for application and contact information:

http://www.maine.gov/bgs/centralserv/surplus/donee_app.htm.

All applications must be submitted and approved to Maine Surplus Property prior to the date of the sale. Please take into consideration that it can take up to 10 business days to process applications.

- The Date of the Sale is 1/29/2018 – 2/2/2018 from **9:00 AM to 4:00 PM** at the **Maine State Library, 230 State Street, Augusta, Maine**.
