

Make a POM POM

PROVIDED: Yarn | **FROM HOME:** Clean fork, and scissors

STEP 1: Take the yarn and wrap it around the fork about 100 times. Make sure to leave two loose pieces of wool to tie all the loops of yarn together (see photos above).

STEP 2: Slip the wool off the fork and cut the wool loops in half with your scissors, as in the photo above.

STEP 3: Roll your pom pom around and trim it to make it more round.
