Re: Consent Agreement Termination

Dear Doctor Karlsson:

At its meeting earlier today, the Board reviewed the monthly reports submitted on your behalf as well as notes supporting termination of your agreement from James McDonald, PhD and Michael Palumbo, D.O. The Board also considered the fact that reports from the Maine Medical Professionals Health Program have been favorable.

**Following their review of those documents and a discussion regarding your compliance, the Board voted unanimously to terminate your Agreement, effective December 31, 2010.**

The Board members commend you for your hard work and consistent compliance with the terms of your Agreement. We all wish you the best in your continued recovery.

You are welcome to contact me at the number below with any questions you may have.

Sincerely,

*Susan E. Strout*
