SCHEDULE NRH INSTRUCTIONS

STEP 1. Complete Worksheets A and B available at www.maine.gov/revenue/forms before completing Schedule NRH.

STEP 2. Complete column A. List Your Joint Income As Reported On Your Joint Federal Return.

Lines 1a through 1f — Total Income. Enter income of both spouses as reported on your joint federal return. Include all income listed on the federal return except taxable refunds, line 10 of federal Form 1040.

Line 5 — Income Modifications/Pension Income Deduction. Complete lines 5a through 5c if you have Maine income modifications. See the instructions for Form 1040ME, Schedule 1 and the Worksheet for Pension Income Deduction for details explaining these modifications. Do not include taxable refunds of state and local income tax.

Line 8 — Deductions. If you itemized deductions on your joint federal return, complete Form 1040ME, Schedule 2 to calculate the amount of your joint Maine itemized deductions. Enter the result from Schedule 2, line 6 on this line in column A.

If you claimed the standard deduction on your joint federal return, leave line 8, column A blank. Additional instructions for the standard deduction are included in step 3 below.

Line 9 — Exemptions. Multiply the number of dependent exemptions claimed on your federal return by your allowable federal exemption amount (see federal Form 1040, line 42). Exclude the exemptions for you and your spouse. Enter the result on line 9a in column A. Additional instructions for personal exemptions are included in step 3 below.

STEP 3. Complete column B. List Your Income.

Lines 1a through 1f. Enter only your income in column B. Attribute earned income to the spouse who earned it. Unless it is attributable to one spouse, divide unearned income (interest, dividends, capital gains, etc.) equally between you and your spouse.

Line 3 — Federal Income Adjustments. Enter your share of the adjustments shown on your federal Form 1040, line 36 or federal Form 1040A, line 20.

Line 5 — Income Modifications. Enter your share of the income modifications listed in column A.

Line 8 — Deductions. If you itemized deductions, calculate your share by multiplying the amount on line 8, column A, by the percentage listed on line 7, column B. If your share of the itemized deductions is less than the Maine standard deduction for single, use the Maine standard deduction for single.

If you use the standard deduction on your joint federal return, use the Maine “single” standard deduction. The Maine standard deduction for a single individual is \$6,100 unless you claimed zero exemptions on your federal return. If so, the standard deduction is the greater of \$1,000, or the sum of \$350 plus earned income up to a maximum of \$6,100. If you are age 65 or over **or** blind, increase the standard deduction amount by \$1,500. If age 65 or over **and** blind, increase it by \$3,000.

Enter your deduction amount (itemized or standard, whichever is greater) on line 8, column B.

Line 9 — Exemptions. You are entitled to claim your own personal exemption plus a portion of the dependent exemptions claimed on your joint federal return. Line 9a - multiply the number of dependents included on federal Form 1040, line 6c by your allowable federal exemption amount (see federal Form 1040, line 42). Line 9b - enter the allowable federal exemption amount for yourself (see federal Form 1040, line 42). To calculate the **allowable federal exemption amount**, divide the amount from federal Form 1040, line 42 by the number of exemptions claimed on federal Form 1040, line 6d. Generally, the allowable 2013 federal exemption amount is \$3,900 unless your income exceeds certain thresholds (see federal Form 1040, line 42).

Tax Credits. Refer to Form 1040ME, Schedule A for tax credits. If you claim either the Credit for the Elderly (Schedule A, line 5) or the Earned Income Tax Credit (Schedule A, line 7), multiply the joint amount of each credit by Schedule NRH, line 7, column B. Enter the result on the applicable line of Form 1040ME, Schedule A. (**NOTE:** Other personal credits on Form 1040ME, Schedule A, lines 2, 3, 6 and 10 are limited to the Maine residency period or prorated based on the ratio of Maine-source income to total income using the applicable worksheets available at www.maine.gov/revenue/forms). You may claim 100% of your ownership share of the business credits on Maine Schedule A, lines 9 and 11-19.

STEP 4. Complete Form 1040ME. Complete Form 1040ME lines 1-21 using the amounts listed in column B, Schedule NRH.

Lines 14, 15, 16, 17, 18: Enter amounts from column B of Schedule NRH. Follow the instructions on Schedule NRH.

Line 20: Use the tax amount from the Single column in the tax table available at www.maine.gov/revenue or compute your tax based on the tax rate schedule available at www.maine.gov/revenue for your taxable income as listed on line 19.

Line 31: Use Tax. Enter zero unless you are filing as a resident and have a use tax liability.

STEP 5. Complete column C. List in column C the Non-Maine-Source portion of the income listed in column B. If you are filing as a Maine resident, do not complete column C. For an overall description of Maine-source and non-Maine-source income, see Maine Revenue Services Rule 806 available at www.maine.gov/revenue (select *Laws and Rules*). Use Worksheet B to help you determine amounts to enter on line 1. For line 5, prorate the pension deduction (Form 1040ME, Schedule 1, line 2d) and the subtraction for premiums for Long-Term Care Insurance (Form 1040ME, Schedule 1, line 2f) based on the percentage of qualified pension income received or premiums paid as a nonresident or “Safe Harbor” resident. Do not include your spouse’s income in this column. Supply W-2 forms from other states or temporary duty (TDY) papers to support entries in column C.

STEP 6. Compute your Nonresident Credit. If you are filing as a Maine resident, do not complete lines 10 and 11.

Line 10. Adjusted Maine Income Tax. Enter your adjusted Maine income tax. Take this amount from Form 1040ME, line 20 minus Maine Schedule A, lines 5 and 7.
