

State of Maine Office of the Treasurer

Today, we share an urgent and important message for a number of Mainers whose physical property my office has been safekeeping for many years. Please immediately visit **MaineUnclaimedProperty.gov** to see whether or not we are holding physical contents of an abandoned safe deposit box that was in your name or in the name of a family member. Due to space needs, these contents will be auctioned very soon. We contacted owners at their last known address in the year the items were received, and then again, very recently with little success. Proceeds from auctioned items will be due to the owner, but all Mainers should check our website today to see if we are holding their property. Note that by law and practice, we never auction military medals or military decorations. Again, to see if we are holding your property including important items from safe deposit boxes, immediately visit our website at **MaineUnclaimedProperty.gov**. You may call us at **207-624-7477** and TTY: Maine Relay 711. Please do so before auctioning of these items begins after September 15, 2023.

Safeguarding unclaimed property and Maine's finances is an honor and privilege. Thank you for reading this message.

Treasurer, State of Maine
