RE: Variance Permit for CMR 01-026, Chapter 29

Dear Mr. Lemin:

This letter will serve as your Chapter 29 variance permit for 2013 for the treatment of phragmites along forested roadsides to comply with requirements of SFI and FSC certification. This variance is valid until December 31, 2013. Please bear in mind that your permit is based upon your company adhering to the precautions listed in Section IX of your variance application.

If you have any questions concerning this matter, please feel free to contact me at 287-2731.

Sincerely,

Henry Jennings
Director
Maine Board of Pesticides Control
